Office Use Only

Note: Trees are bare-root seedlings and transplants, one to three years old. They will need to be planted soon after picking up. You will be notified of the time and place to pick up your seedlings (approximately the third week of April). The district will not be responsible for condition of seedlings if not picked up promptly.

The Shelby Soil and Water Conservation District prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, or marital and family status.
